On Saturday, January 21, 2023, YSB is hosting Keys to a Good Time Dueling Piano Night at Bally's Quad Cities. All funds raised during this event go directly towards the YSB programs serving youth and families within our community. We are asking for your help to ensure we have a successful night by becoming a sponsor or donating a raffle item- all donors will receive recognition during the event.

For those wishing to attend the event *and* sponsor it, we are offering several ways to pair a ticket purchase with a sponsorship that raises the visibility of your company or organization at Keys to a Good Time. Please see the enclosed flyer for details about how you can join the fun while also enjoying the benefit of being a sponsor.
